.....

This policy relates to the following legislation:

- Children Act 1989
- School Standards and Framework Act 1998
- Education Act 2002
- Education and Inspections Act 2006
- Equality Act 2010
- Education Act 2011

The following documentation is also related to this policy:

- Action on Bullying (Estyn 2014)
- Cyberbullying: Supporting School Staff (DCSF)
- No Place for Bullying (Ofsted 2012)
- Preventing and Tackling Bullying - Advice for School Leaders, Staff and Governing Bodies (DfE)
- Safe from Bullying: Guidance for Local Authorities and Other Strategic Leaders on Reducing Bullying in the Community (DCSF)

We acknowledge the School Standards and Framework Act 1998 that clearly states that all maintained schools must have in place an Anti-Bullying Policy that outlines procedures in order to prevent bullying among pupils.

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with Sections 3(5) and 87(1) of the Children Act 1989 and Section 157 of the Education Act 2002 and that we promote the welfare of all children in our care.

The School Aims

At Cavendish Close Infant and Nursery School we aim to:

- Develop an understanding that children are individuals *and* members of their community.
- Promote self esteem and confidence, a value for self and others.
- Promote equal opportunities.
- Promote independence and responsibility.
- Encourage a caring attitude to property and the environment.
- Promote health and safety.

- Develop skills to take an active part in the life of the school and the community.
- To be able to recognise their own worth, work well with others and become responsible for their own learning.

The Aim of this Policy

The aim of this anti-bullying policy is to ensure that pupils learn in a supportive, caring and safe environment without fear of being bullied.

Bullying is an anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated.

A Definition of Bullying

There are many definitions of bullying, but most consider it to be:

- deliberately hurtful (including aggression);
- repeated often over a period of time, while recognising that even a one-off incident can leave a learner traumatised and nervous of future recurrence; and
- difficult for victims to defend themselves against
(Respecting Others: Anti-Bullying Overview (Welsh Government 2011))

We believe bullying takes many forms such as physical, verbal, social exclusion and the misuse of mobile phones

and Internet social networking websites. It is our duty to look out for all signs of bullying and to take the appropriate action to stop it. We will deal with all incidents of alleged bullying.

We believe by creating a safe, secure and caring school environment we will encourage all pupils to report any incident of bullying to a member of the school personnel.

Under no circumstances will we tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively as we wish to promote the wellbeing of all pupils.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
