

Personal, Social and Emotional Development

- 'Have a go' at new or different activities.
- Talk about our homes and family
- Talk about our feelings, likes and dislikes
- Make new friends and take turns
- Be kind to others and look after our classroom
- Begin to take off and put on our own shoes and socks

Physical Development

- Walk, run, climb and use outdoor play equipment safely
- Move to music
- Eat a variety of fruit and vegetables for snack
- Know fruit and vegetables are good for us and try new fruits
- Manage to put on own coat.

Communication and Language

- Talk with other children and adults
- Listen to and look at others when they talk to us
- Enjoy rhymes, songs and stories
- Share books with others and choose a book everyday to share at home
- Draw and paint

Foundation Stage One
Autumn Term 2016
'Who am I?'
And
'What does it look like?'
This term we will...

Knowledge of the World

- Explore objects, textures, tastes, sounds, smells using all our senses
- Build using construction kits
- Use a computer, programmable toys and CD player safely and with care
- Talk about birthdays, Bonfire Night, Diwali and Christmas celebrations

Expressive Arts and Design

- Act out roles in home corner
- Recognise and name different colours and textures
- Make 3D models
- Play with pasta, salt, mud, dough, slime, water and sand
- Listen, move and sing to music

Mathematical development

- Have fun with numbers and counting
- Sing number rhymes and counting songs
- Use words such as big and little, tall and short
- Talk about shapes of everyday objects
- Compare groups of objects and know when they have the same number
