

Cavendish Close Infant and Nursery

Thank you

Thank you again to everyone who helped to make our show a success before the Easter holidays. Special thanks go to Mrs Stringer who organised the whole event. The Little Mermaid was a huge success and I know the children all enjoyed taking part. Thanks too to all the children who came back to school on both evenings to take part. I have had very positive comments about the show from a great many people, including an ex head teacher who has been doing some work in our school. He came specially to see the performance and was amazed at what the children achieved.

Please Help

We are desperately short of spare girls pants in school.

If you have any spare school clothes, or under clothes that your children have out grown, and are in good condition, we would be grateful for any donations.

If your child has borrowed any clothes from school recently, please could you send them back into school so that we can help other children who may need changing during the day.

Social Media

Would parents please be aware that posting photographs of children on social media networks should be restricted to show only your own children. I had a complaint from a parent after the Spring Show, that she had seen a number of photographs on Facebook which contained images of children other than those of the person whose page it was.

As a school we can refuse permission for photographs to be taken during our productions unless parents follow these guidelines. That would be a shame because most of our parents do behave responsibly with images they have taken in school.

Sun Safety.

We have been really pleased with the response to our Sun Safety Campaign, and delighted to see most of our children bringing hats to wear during the day. Please ensure that your child does have a hat **every day**, even when it looks dull or cloudy in the morning, as the sun does often break through later in the day.

If children refuse to wear hats, we will restrict the areas where they can play outside to areas of shade near the buildings. That would be a shame as they will not be able to make full use of the spaces we have outside.

Book Club

We run a book club in school on a fortnightly basis. The children are able to save up to buy books at a very much reduced price. The event takes place on a Tuesday afternoon in the library area of school. Our team of helpers who help the children choose books would appreciate some extra volunteers to help them run the book club. It usually lasts for about an hour and a half. If you have some time to spare, and would like to join the team of helpers, please contact the school office. The next planned book club afternoon is on Tuesday May 5th.

Wood Road Crossing

Recently there was very nearly a nasty accident when a child dashed out onto the pedestrian crossing without waiting for the lights to change. Luckily the driver was able to stop in time and so avoid knocking the child down.

Please ensure that your children are with you as you approach the crossing and the road as it is so busy at the end of the school day

Many thanks for your continued support
