Friday 19th December 2014

Monday 5th January 2015

Children in Need

We had a very enjoyable day last week on Children in Need day. We raised over £400 by selling wrist bands and having a non-uniform day. Thank you to everyone who supported the cause.

Photographs

All the orders for the school photographs have been sent to Tempest. We hope that the photographs will arrive in school in the next week or so.

Art Gallery

We were delighted with the response to our children's art gallery last week. Thank you to all the parents and relatives who came to see the children's work on display. The organiser has written to me to thank us for working with her, and has said that the work from our children is the best she has ever displayed. What a lovely comment for her to make about our children.

We have bought some of the left over pictures for school, and are in the process of arranging a display of them in the reception area of school.

School Christmas Dinner

We are having School Christmas dinner on Wednesday 17th December,

Gertrude Road

We have had a request from one of the residents on Gertrude Road. She has asked that parents coming in cars to collect their children from school, will park considerately and not block off her drive. She was made late for an appointment recently because she could not get her car out.

Could we please ask parents to be considerate where ever you are parking, and not block people's access to their own driveways.

Nursery Parents

A number of Nursery parents are still bringing cars down the drive at lunchtimes to collect or deliver their children to and from the Nursery.

Please will you leave your cars parked on the road, and **not bring cars onto site**. Children are crossing the drive during lunch times, and we need to make sure they are kept safe. The only parents who should be bringing cars down the drive are those who are collecting sick children from school, or those who have permission from the governing body.

Christmas Cards

If your child is intending to bring cards into school for their friends this Christmas, can parents please ensure that the recipients' names and class number are on the envelope. We have a number of children in different classes with the same first names, and it is important that we do try to get the cards to the right children. There will be a post box in the library area from December 8th, so children can post their cards for delivery to the other classes.

Thank you for your continued support for the school. If you have any concerns please contact a member of staff or myself at school.

Yours sincerely

Jane Brandon
Headteacher.
